Dear Friends:

Valentines for Veterans is one of the most important programs that I participate in every year. This program allows people in the community to say "thank you" to the veterans in the 40th District by creating Valentines for them as a small token of how much our community appreciates their dedicated service.

I will continue to be humbled and honored when I visit our brave heroes as I visit Veterans Hospitals in the area. Although I enjoy handing out these Valentines, I use these crucial minutes with our veterans to speak with them about issues that are important to them.

I respectfully ask for your help in making the Valentines for Veterans program another success this year. Valentines can be handmade, or store bought, individually made or one large Valentine can be given. Other items such as books, puzzles, games, clothing, hygiene items, home town sports items, and DVD's can also be given for our veterans. Each and every veteran appreciates the time and thoughtfulness that goes into every donation big or small. Please return the enclosed fax sheet if your group is interested in participating to (412) 635-2199. We ask that all Valentines and donations be dropped off or mailed to my office by February 10, 2012.

Please feel free to pass the fax sheet and letter on to anyone who may want to participate. Thank you, in advance, for participating in this and other community projects that I hold annually. If you have any additional questions, please contact Kara Stroup at my office at (412) 630-9466.

Sincerely,

JANE C. ORIE
